SUMMARY

BBA student with a minor in CS & DS at Rishihood University with a passion for innovation in business and experience in event management, marketing and leadership. Looking to apply my skills in an engaging role that fosters both personal and professional growth while building valuable connections in the field.

WORK EXPERIENCE

Co-Founder, Piggypath 2025

- Building a youth-focused financial literacy app that simplifies money and accounting concepts through gamified learning.
- Empowering students with practical financial skills and a strong money mindset from an early age.

HR Intern, Lernx 2025

- Managed end-to-end recruitment by creating job postings and conducting candidate screening and interview coordination.
- Executed LinkedIn outreach and university partnerships to source top talent while supporting the onboarding process.
- Mastered HR software tools and recruitment strategies to improve organizational communication and new hire integration.

Product Packaging Intern, Farmley 2024

- Redesigned product packaging based on market insights to significantly enhance brand appeal and consumer engagement.
 - Collaborated with cross-functional teams to ensure all packaging updates remained aligned with core company goals.
-

EDUCATION

Bachelor of Business Administration 2024-2028
Rishihood University, School of Entrepreneurship

CBSE Education (5th-12th Standard) 2017-2024
